UNIFIED PROGRAM CONSOLIDATED PERMIT AND REGISTRATION TERMS AND CONDITIONS

In accordance with the provisions of applicable, local, state, and/or federal statutes, ordinances, rules, codes, and regulations, the facility named on this document is hereby registered and /or granted a permit to store and/or otherwise handle hazardous materials and/or hazardous waste subject to the following terms and conditions:

1. The storage and handling of any hazardous material, including hazardous waste, shall not cause an unauthorized release of hazardous materials/hazardous waste or pose a significant risk of such unauthorized release.
2. Upon request, permittee/registrant shall file with the Certified Unified Program Agency (CUPA) a written Hazardous Materials Business Plan on the form prescribed.
3. Permittee/registrant shall notify the CUPA of substantial changes in the quantity or nature of the hazardous materials/hazardous waste stored in the facility, of substantial modification or repair of the storage facility, of other substantial changes in the facility's Hazardous Materials Business Plan, and or substantial changes in the operations and ownership of the facility which may require a new permit/registration and/or other additional permits or licenses.
4. Permittee/registrant shall take all necessary steps to ensure discovery, containment, and cleanup of any confirmed or unconfirmed unauthorized release of any hazardous material/hazardous waste and shall notify CUPA of such unauthorized release.
5. Permittee/registrant shall authorize representatives of the CUPA to enter the permitted/registered facility for inspection purposes to ascertain compliance and cause correction of any violation of the Unified Program Consolidated Permit/Registration conditions, or of any applicable ordinances, codes, laws, statutes, rules, or regulations.
6. The Permit/Registration may be transferred to new owners of the same facility under terms and conditions imposed by, and subject to the approval of the CUPA.
7. This Permit/Registration may be subjected to remedial action arising from the acts or omissions of the permittee/registrant
8. Thirty (30) days prior to the expiration date indicated on this Permit/Registration, a new permit/registration application must be submitted.
9. This Permit/Registration shall not become effective until it has been signed and accepted by the permittee/registrant or by a person having the legal authority to sign for the permittee/registrant.
10. This Permit/Registration and all attachments thereto shall be kept on the premises of the permitted facility and shall be made available for inspection.
11. This Permit/Registration does not take the place of any other permit/registration or license required by law.
12. At least thirty (30) days prior to the closure of the facility, the facility owner or operator will file, for review and approval, a closure plan addressing the appropriate removal of all hazardous materials from the facility.
13. If permittee/registrant is subject to the Underground Storage Tank regulations of the State of California, permittee/registrant shall maintain a valid operating permit for its underground storage tank(s), which operating permit and all applicable permit conditions shall become part of this Consolidated Unified Program Permit/Registration.
14. Permittee/registrant shall comply with the following State Regulations governing various elements of the Unified Program: H&SC Div. 20, Ch. 6.95. Art. 1 and Art. 2; CCR Title 19: H&SC Div. 20 Ch. 6.7; CCR Title 23, Ch. 16; H&SC Div. 20, Ch. 6.67; 40 CFR 112; H&SC Div. 29, Ch. 6.5, Art. 1-13, Sec. 25100 et. Seq; CCR Title 22, Div 4.5 Ch. 10, 11, 12, 20, and 31.
